

## Notice to Potential Warranty Customers:

In our experience, if a machine has ever started before, approximately <u>95% of the no start</u> and <u>99% of the hard starting</u> problems brought to us under the manufacturer's warranty are not warrantable. Most often they are related to the machine being improperly set-up at retail, improper operator instruction by retail personnel, or maintenance related issues.

**Purchased Elsewhere** 

**Purchased at ASJ** 

Manufacturing Defects	No Charge	No Charge
No Problem Found	No Charge	\$36.50 Evaluation Charge
Improper Retail Setup	No Charge	Customer's Responsibility
Operator Error-No Damage	No Charge	Customer's Responsibility
Maintenance Related	ASJ Discretion	Customer's Responsibility
Non-Defect Breakage	ASJ Discretion	Customer's Responsibility
<b>Documents Required</b>	None	<b>Proof of Purchase</b>
<b>Equipment Returned</b>	<b>Upon Completion of Repair</b>	Manufacturer Dependant
their own (or their retailer's) performance, we suggest they take their equipment back to where it was purchased. If you elect to leave the equipment with us, by signing below you agree to pay for any charges that ASJ Small Engines, <u>OR</u> the applicable manufacturer determine are not warrantable.		
Thank You		
I have read my warranty statement, and the information above and I understand that I will be responsible for the cost of any repair that ASJ Small Engines, Etc. (in their judgment) feels cannot be charged to the product manufacturer.
